The draft Policy suggests that changes are delivered in a phased way from September 2017. This means that, if the draft Policy is approved as final:

- Nothing would change for any primary or secondary school pupils in the Borough until September 2017.
- From September 2017 onwards, the Policy would apply to pupils seeking a primary or secondary school place.

### Children looked after by the Local Authority

Section 6 of the draft Policy looks at the case of children who are taken into the care of the Local Authority.

It sets out that every effort will be made, in the interests of the child, to maintain stability in education. This means that there is a commitment to the child remaining at the school attended before being taken into the care of the Local Authority.

In such instances, home to school transport costs would be paid by the Local Authority.
